106,000 m² CAMPUS ZONING PLAN

Global Manufacturing Excellence in Ceramic Sanitary Ware

Established in 2016 in Tangshan—China's premier ceramic hub—Taitao is a high-tech manufacturer and wholesaler dedicated to premium sanitary ware solutions.

- **Massive Scale**
  A state-of-the-art facility spanning 106,000+ m²
- **Core Products**
  Professional-grade Ceramic Kitchen Sinks, High-End Toilets, and Wash Basins.
- **Global Reach**
  Primary export markets: North America, Europe (including the United Kingdom), and Oceania (Australia and New Zealand).

Manufacturing Capabilities & Core Technology

Our facilities are engineered for precision and high-volume supply, ensuring reliability for:

Advanced Sanitaryware High-Pressure Casting Equipment: 1 10-mould high-pressure toilet casting machine · 3 12-mould sink high-pressure casting machines · 2 8-mould sink high-pressure casting machines · 1 10-double-mould tank high-pressure casting machine · 43 low-pressure fast-drainage vertical casting lines.

High-Capacity Kilns: Utilizing a 96-meter tunnel kiln and a 128m³ shuttle kiln, we achieve an annual production capacity of 600,000 pieces.

Core Technology: 1200–1280°C tunnel-kiln firing gives every piece a dense, non-porous glazed surface for maximum durability, stain resistance and a premium finish.

INSET VANITY BASIN • TOP-MOUNT / SELF-RIMMING
