STANDARDS APPLICABLE

COLORS

- Standard White
- Custom Glaze Finishes: Pantone / RAL color matching available.

NOTES

- Use ONLY 100% silicone sealant. NEVER use cement, epoxy, or expanding/grab-adhesive sealants — these harden or swell after cure and can crack the ceramic or lift the edge.
- Wear protective gloves when handling the unit; fired vitreous china edges can be sharp.
- Do not stand or place heavy loads on the edge during installation.
- Supplied as a fired vitreous china unit only — faucet, waste and trim are not included.
